

FAMILY 2

Family - 2 has also four families belonging to the same line but the connection among them was entirely unknown. As I don't know the connection and separation of the different families belonging to family number - 2, I am going to explain them separately naming "**Family - 2a**", "**Family - 2b**", "**Family - 2c**" and "**Family - 2d.**"

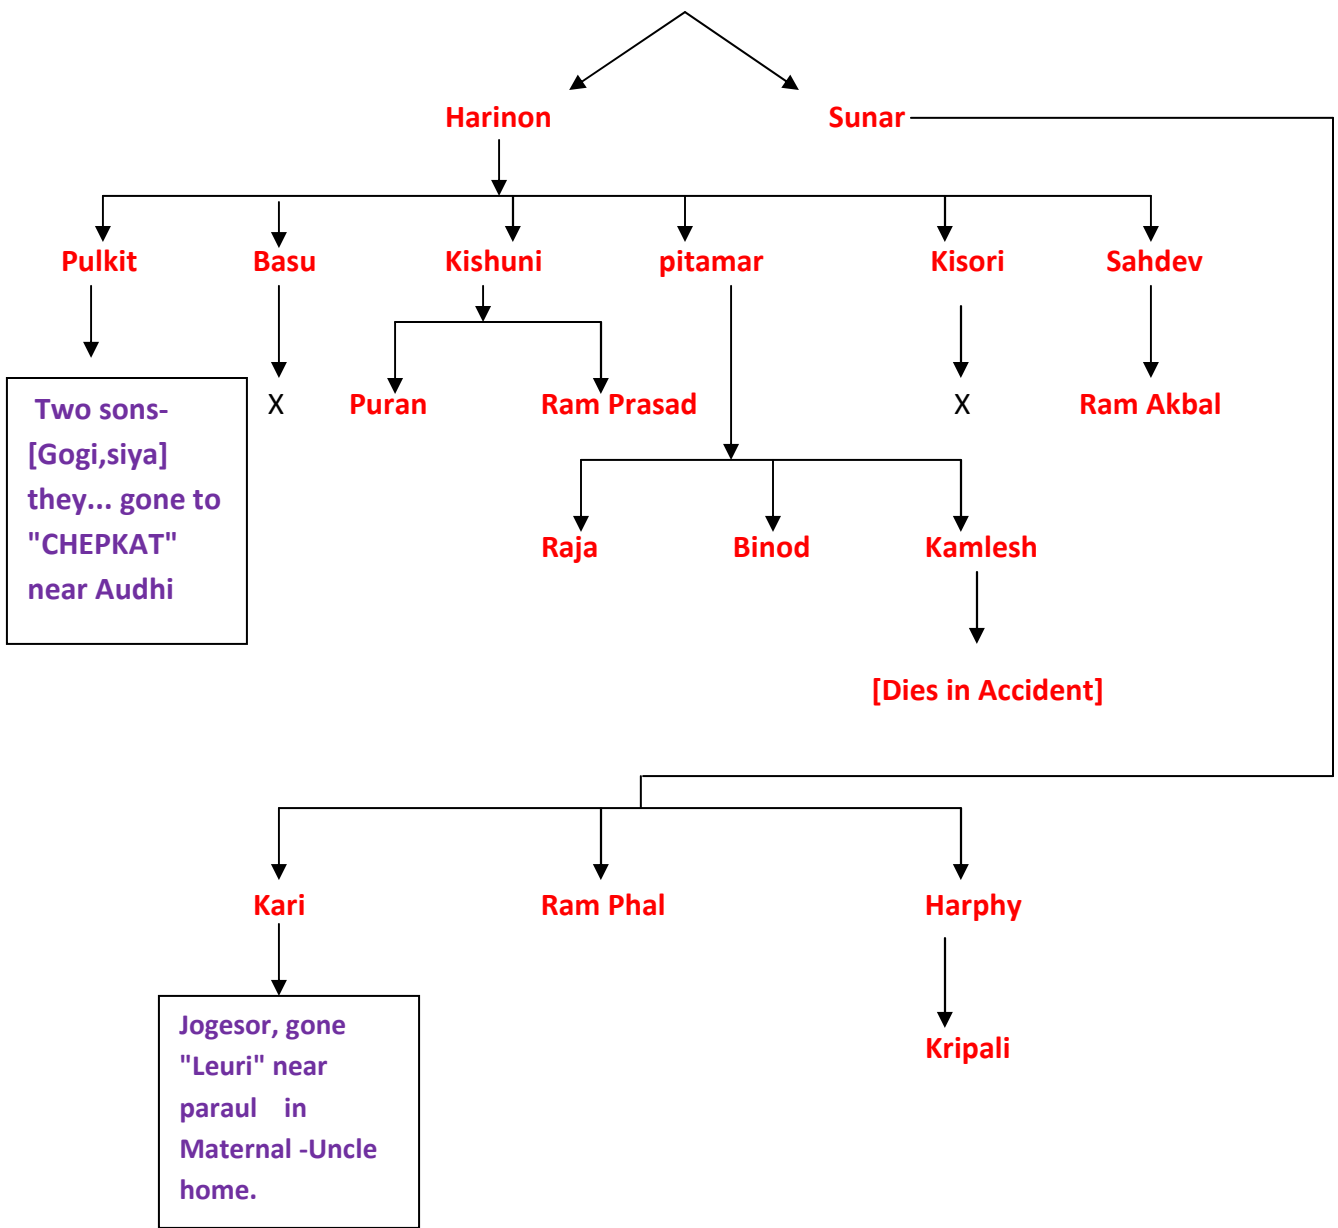

Family - 2a

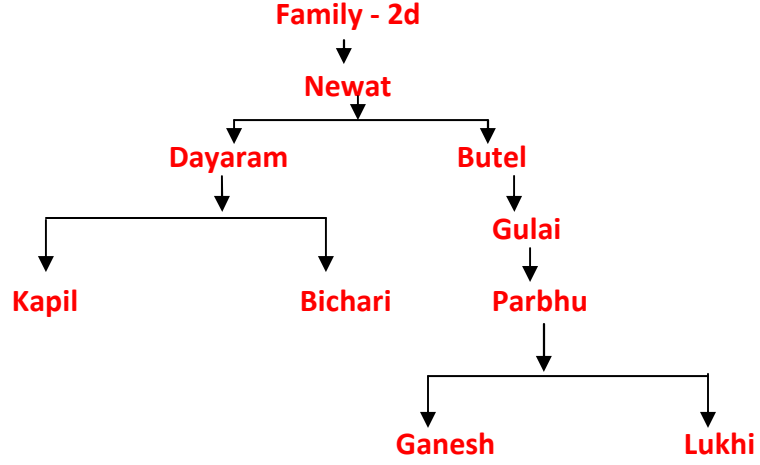

Family - 2b

Family -- 2c
